| <b>Class 22</b>        | <b>Conclusions</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Class 23</b>        | <b>Exam</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Class 24</b>        | <b>Q &amp; A (2X – ERA – MES)</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

# Questions probables :

## Faites un lien entre les 4 chapitres : (diving deeper each step)

- Learning about the EU is like learning a new language, we first learnt the concepts in the first chapter and how the EU had an impact on the daily news.
- In the second chapter we've had a closer look on Governance and the different policies used in the European Union on budget and Monetary aspects
- Third chapter was on the other policies like Industrial and agricultural policies and the macroeconomic way they are implemented in the different Member States.
- Fourth chapter had a topic whether or not the EU was good or bad for the companies and we had to formulate our own opinion on it. Then we also took interest in the elections that take place at the end of the week.

## Savoir Expliquer le Triangle Institutionnel :

- European Parliament (EP) - Roberta Metsola
  - 705 deputy's directly elected by citizens.
  - Has legislative, budgetary, and monitoring powers.
  - Strasbourg, Brussels, and Luxembourg.
- European Commission (EC) - Ursula von der Leyen
  - Headquartered in Brussels
  - Ensures the correct application of EU law in member states.
- Council of the European Union - switch every 6 months
  - Ministers of every MS represent the individual MS on specific matters ( if agriculture all ministers of agriculture of the MS, if war in ukraine minister of external relations).

## Savoir parler de l'actualité du jour :

- This morning, farmers stormed in Brussels. We're a few days from the elections, they advocated against the EU environmental policies that "kill European Agriculture".

## Visit at the Parlamentarium :

- Different political groups that count every similarly placed MS political groups on the spectrum in the same political group was really interesting.

## Savoir définir les termes au début du cours :

### → Critical mass

- ◆ Minimum Support needed to have influence within the EU.

### → Free rider

- ◆ Someone / MS that doesn't participate but profits from the benefits.

### → Mundell

- ◆ The policy trilemma, between Free capital, Monetary Autonomy and Exchange rate management

→ **Balassa**

- ◆ Theory of integration for MS inside of the EUnion, through 5 levels of implication.

→ **EMU = Economic & Monetary Union**

- ◆ is a group of policies aimed at converging the economies of member states of the European Union. It involves the coordination of economic and fiscal policies, a common monetary policy, and a common currency, the euro.

→ **CAP = Common Agricultural Policy**

- ◆ The CAP implements a system of agricultural subsidies and other programs to ensure a stable supply of affordable food, safeguard farmers' income, and protect the environment and rural areas.

→ **Governance**

- ◆ All the processes that make government work, and to manage the different structures of the government

→ **Film Arte**

- ◆ They are gonna pass a law about THE CSR's, the social democrats have to collaborate with the greens the left and renew europe (parties far from eachother. Political games and at the end the law passed.
